FISCAL MEMORANDUM

SB 1714 – HB 2031

March 10, 2016

SUMMARY OF ORIGINAL BILL: Authorizes an eligible petitioner to petition for the expungement of multiple convictions together, provided the convictions are currently eligible for expunction, the petitioner has fulfilled all the requirements of the sentences imposed, and five years have elapsed since the completion of the most recent sentence imposed.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (013460): Deletes and rewrites the bill to add a provision requiring all offenses for which the petitioner is seeking expunction under the bill as amended to have occurred within a one-year period.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- It is not anticipated that the bill as amended will significantly impact the total number of expunctions sought each year. Therefore, it is assumed the legislation will not significantly impact state or local fee revenue derived from expunctions.
- Local court clerk sources confirm that the bill will not significantly impact their operations or revenue collected.
